Taking You Personally

## Come See China

China is forever linked to its ancient civilization, friendly people, and many of the world's most revered treasures, such as The Great Wall, Terra-Cotta Warriors & Horses and the Yangtze River. Today, one can also find spectacular architecture and towering skylines in Shanghai and Beijing (site of the 2008 Summer Olympics), a wealth of luxury accommodations – and as always – exquisite cuisine.

Come and see why China is drawing millions of visitors from all over the world. And, why each and every one of them returns home smiling.
